

Pawsome Day Trips from Broadwater Resort

Stilts Beer Garden @ Broadwater Resort

There is no need to go far as the Beer Garden Stilts is an ideal spot for dogs and their human friends to relax, have breakfast, catch-up with friends or sneak-in a cheeky martini. There is live entertainment each Sunday afternoon and did I mention 'happy hour'? <http://stilts.com.au/>

Bootleg Brewery

At Bootleg, they believe that Families, Couples and Friends should all take time to pause, sip and soak-up some Margaret River Vibes and sunshine. We've checked with them and they also think dogs should soak-it-up! A great spot for casual lunch with your fury buddy. <http://bootlegbrewery.com.au/>

The Grape Escape – Yep, Wine Tours with dogs

You heard it here first. Pawsome Private Wine Tours, there is nothing more to say! <https://grapeescapewa.rezdy.com/>

Caves House

For a touch of nostalgia and to skip around in the nicest grounds outside of Broadwater Resort ☺, head for The Deck at Caves House. There you can sit outside with water for Fido and enjoy the Autumn and Winter colours or make your way around the gardens a la The Sound of Music. <https://www.caveshousehotelyallingup.com.au/diningdrinking/pizza-deck/>

Busselton Foreshore Markets – it's like speed dating for dogs!

So many dogs head to the foreshore markets that you'll think it's human friendly. Check them out on the 1st, 3rd and 5th Sunday of each month. <https://www.facebook.com/Foreshore-Markets-172407049613083/>

Leave the sand and smells of Broadwater here in Broadwater and take home a super-groomed pooch by "Ä Clip Above the Rest Mobile Hydrobath and Dog Grooming Service". Email Teresa for details and save 10% off of services as a Broadwater Resort Pampered Pooch - aclipabovetherest@bigpond.com

The Shed Markets

The outside garden welcomes dogs and where you will find a fab creperie, hearty burgers and very tasty stand serving dare I say it, "authentic" Indonesian cuisine (it really is good!). Open for lunch and dinner Thurs to Sat and with weekend vibes. Be sure to check out the local stores inside. A short drive and also walkable from Broadwater Resort. <http://www.theshedmarkets.com.au/>

Cheeky Monkey Brewery

Chilled, cool, funky and TASTY! Just great food and always a wide array of beers on-tap and loads of grass for man's best friend to chill, scratch him/herself, eat and chase balls. <http://cheekymonkeybrewery.com.au/>

Bunnings

Take your dog for retail therapy at Bunnings Busso 😊

Clancy's Fish Pub

An institution for great pub-food in Fremantle and a very popular off-shoot here in the South. Set in native bushland, Clancy's is popular with the locals, tourists, emus and is well accustomed to dogs tagging along. A great spot for the whole family. <https://clancysfishpub.com.au/venues/dunsborough/>

The Urban Coffee House

A place where coffee is serious business but in a relaxed setting. Urban also has a spot for the kids to go nuts. Its pooch friendly and even says so on their website. <https://www.urbanbusso.com/>
